Re: Case No. 12-C1555

I requested a copy of the original collection documentation and a detailed accounting of the costs, fees and interest being charged in this action.

After reviewing the Federal Trade Commission Fair Debt Collection Practices Act it seems you contacted me before having permission of the debtor. You may be making False or misleading representations. You seem to be using unfair practices. You have not followed Section 809. Validation of debts.

If you continue with this action I will be forced to seek civil damages set forth by section 813.

Best Regards,
